

# Enabling Women in Gippsland - Leadership Program

## An invitation for women with disabilities to take the lead!

Enabling Women in Gippsland is running a leadership program in Morwell.

The leadership program provides the opportunity for women with disabilities to come together, share their experience of disability, find solutions together to the problems they experience and that they see in their communities.

The Enabling Women Program is provided and delivered by Women with Disabilities.

Topics covered include:

- Getting to know you,
- The Social Model of Disability
- Self-Identity
- Human Rights
- Communication
- Advocacy Parts 1 and 2
- Leadership Evolution
