

Position Description

Co-Facilitator for the Enabling Women Leadership Program North East Victoria 2016

Women with Disabilities Victoria and **Women's Health Goulburn North East** have partnered to deliver and evaluate *Enabling Women* during 2016.

Enabling Women is a 5 day community leadership program to empower 8-12 women with disabilities to have a voice about issues that relate to them and other women with disabilities. The program provides the opportunity for women with disabilities to come together to share their lived experiences of disability, find solutions to address issues of social disadvantage and rise to their true leadership potential.

We are looking for a woman who identifies as having a disability, with some experience of supporting other people with disabilities to become more empowered, to assist with the delivery of the *Enabling Women Program* in Wangaratta during March, April and May.

Leadership sessions are proposed for **5 Wednesdays from April 13 to May 11** at the **Regional Study Centre**, Wangaratta with a graduation event on **Friday May 20**.

Participant interviews are scheduled for **March 16 and 17** in Wangaratta at an all abilities accessible venue. Women from North East Victoria and the Goulburn Valley are encouraged to apply.

Co-Facilitator time commitment:

Interview Panel Member for potential participants	up to 12 hours over 2 days
Course Delivery	5 sessions @ 7 hours per session (Includes 2 hours preparation per session)
Graduation ceremony	5 hours
Total	62 hours

Salary: \$23-27 per hour (WDV EBA Level 2, Year 1 EBA) + 25% loading for casual work.

KEY RESPONSIBILITIES

Reporting to the course facilitator you will be responsible for assisting with the

- Recruitment process for course participants
- Presentation at information session
- Preparation and delivery of the 10 modules
- Facilitation of the group's learning experience
- Supporting the women undertaking the course
- Undertaking other duties and responsibilities as required

SELECTION CRITERIA

- Personal experience of disability;
- An understanding of and commitment to working from a social model of disability perspective;
- Good communication skills;
- An understanding of the issues affecting women with disabilities, within a social/feminist model of health;
- The ability to support people with disabilities to become more empowered;
- Experience, knowledge or the potential to acquire the skills to facilitate group learning;
- An understanding of how to support people to make informed choices; and
- Experience in developing and delivering information in easy English (desirable)
